# WARBURG ADVENTURER CLUB

*A fun and creative way for children ages 4-9  
to **discover**, to **grow**, and to **serve**.*

**REGISTRATION IS NOW OPEN!**

## WARBURG ADVENTURER CLUB

### What is the Adventurer Club?

A unique Christian club for children (similar in some aspects to Cubs and Brownies) where recognition is given to children as unique people with special talents. During the club's activities children learn to take pride in what they do, strengthen abilities, and develop positive character qualities as they grow and learn together while completing projects and class awards. The Adventurer Club is sponsored by the Seventh-day Adventist Church.

### Who can participate?

All children between the ages of 4-9 may enrol and participate in the club, regardless of religious affiliation.

### What does the Club schedule look like?

Generally, the club meets twice per month on Thursday evenings during the months of **September to June** for two (2) hours per session. Occasionally there are special club meetings or outings planned that may vary from the regular schedule. Special schedule exceptions will be announced with as much notice as possible. An annual schedule will be provided to each registering family which provides details on regular meetings and special events.

### What does it cost?

Like other clubs and community groups, there are some small fees associated with Adventurers. A registration fee, uniform costs, and materials costs come to **less than \$95.00 per year per child**, inclusive of all on-location activities and materials. Additional optional field trips may incur other small costs during the year, but will be announced in advance.

**Sessions for this Club year will start on Sept. 30 at 6pm.**

Human beings are like books: they contain stories and wisdom far beyond their covers or outward appearances. In honour of Movember and International Men's Day, meet four speakers who have something to share about men's health and well-being. November and No-Shave November is the month in which we embrace our hair in order to drive conversations and awareness about mental health, suicide prevention, and prostate and testicular cancer. It's time to change the way we think and create safety for men to talk about their emotions and embrace the support that we all require. All genders are welcome to attend.

**Warburg School Council** is a structured group of parents, the school principal, teachers, students and community members whose purpose is to advise the principal and the school board respecting matters relating to the school. It is a means for parents and community members to work together with the school to support and enhance student learning.

**Warburg Parent School Society** is a fundraising branch of the Warburg School Council and its primary directive is to raise funds to purchase items that benefit all students of the school. In the past, the Society has purchased a large laminator, the score clock in our high school gymnasium, STEAM (Science Technology Engineering Arts Math) items for individual classrooms and 60 pairs of

snowshoes to name only a few. Their fundraising was instrumental in recently purchasing a large number of items to begin our coding and robotics program at the school. Current fundraising efforts will go towards the purchase of some much-needed outdoor playground equipment.

## Happy Thanksgiving from Warburg Parent School Society!

Watch our facebook pages for details.

Thank you again for your continuing support.

# 2021 CHRISTMAS ELVES CAMPAIGN

We know none of us want to start thinking about Christmas before the first snowflake has fallen, but regardless, the season is coming! Every year, all of us involved in the Christmas Elves campaign are blown away by our community's generosity, whether it be through donations or time given. This year we hope to be no different. Dates have not officially been set yet as far as food drives and packing/delivery dates, but we just wanted our wonderful community to start looking ahead. Donation requests will be going out to the various local businesses and non profits over the next few weeks. We ask that anyone who is able put aside a few dollars, a pack of toilet paper, a toiletry or two, or anything else that could be given to an individual, couple, or family in need. Dates and times for organized events regarding the campaign will be advertised in our November newsletter. It truly is the season of giving, and of community. Thank you, in advance, for your support this year! Should you have any questions regarding donations, volunteer opportunities, or the campaign itself, please do not hesitate to contact Tami with FCSS at 780-848-2828. And Merry October!!!!
